## COMMUNICATION

British Federal México is pleased to inform that we are an active **Company Support Member** of the **American Welding Society (AWS)**. This membership underscores our commitment to maintaining the highest industry standards and fostering innovation in welding technology. As part of AWS, we stay informed about the latest advancements in welding science, technology, and best practices, reinforcing our dedication to excellence in the industry. For any inquiries regarding our membership, we encourage direct communication with the **American Welding Society** through their official channels at:

American Welding Society
